

Type / Description	Stock Status	Cat.-No.	List Price EURO	C
Remote Controller				
<p>T1</p>  <p>Remote Control including battery and docking station. Communication by Infrared and/or RF. 38 assignable/programmable buttons. 12 assignable/programmable buttons with interchangeable keycaps. Control Range Infrared: 9 m, Control Range RF: 30 m.</p>	L	280001	299,00	
<p>T2+</p>  <p>RemoteControl with buttons and touch-display. Including battery and docking station. Communication by Infrared and/or RF. 32 assignable/programmable buttons. Control Range Infrared: 9 m, Control Range RF: 30 m.</p>	L	280002	599,00	
<p>T3</p>  <p>Remote Touch Control with batteries and docking station. Communication by Infrared and/or RF. Assignable Color Touch Display, 16 programmable buttons. 32 MB Memory. Control Range Infrared: 9m, Control Range RF: 30 m.</p>	L	280009	1.299,00	
<p>K4</p>  <p>6" Wall-mount color touch panel. Built-in microphone and stereo speakers. 32 MB memory. Communication with Controller by Infrared (wired) up to 300 m. Built-in Ethernet port 10/100 Base-T.</p>	3	285007	2.499,00	
<p>U1</p>  <p>Waterproof and floating remote control. Communication by RF. 12 programmable buttons. Control Range RF: 30 m</p>	3	285006	299,00	
Controller				
<p>RP-6</p>  <p>RemoteControlProcessor with 6 multi-purpose I/O ports for IR, RS-232, Voltage Paower Sensor, Video Sync Power Sensor. Input for optional RF Receiver Module. Integrated Flash Memory stores System Configuration.</p>	L	280003	599,00	
<p>RM-433</p> <p>RF Receiver Module with antenna to connect it to the RP-6 system</p>	L	280004	149,00	
<p>RP-1</p> <p>Remote Control Processor with high-power IR output for connection to a third party. IR output block. RF reception for use with any RTI remote controller.</p>	L	280019	395,00	

Type / Description	Stock Status	Cat.-No.	List Price EURO	C
Accessories				
IR-PRO	L	280005	369,00	
IR Capture/Programming Kit for learning IR commands from remote controls of the installed audio/video components.				
VPS-1	L	280006	79,00	
Voltage Power Sensing Module for RP-6. Monitors the true On/Off status of nearly any electronic component				
SPS-1	L	280007	79,00	
Video Sync Power Sensing Module for RP-6. Monitors the true On/Off status of nearly any video component connected to the system.				
CM-232	L	280008	79,00	
RS-232 Communication Module for RP-6. Allows to control components by one-way RS-232.				
282M-RP	L	285001	17,50	
Infrared Emitter with cable and mini plug for RP-6				
284M	L	285004	24,00	
Dual Infrared Emitter for RP-6				
SB-REL4	L	285011	280,00	
4 Channel Relay Module, 230V, 6 A for RTI systems. One way RS-232 control with RTI controller RP-6 (CM-232 required)				
Ecoman Beamer	L	280011	280,00	
Ecoman Beamer (5 units/order), external IR controlled power switch for beamers. Power switch on/off via IR. Switches off the beamer totally with a time delay of 5 minutes.				
CD800P	L	280010	160,00	
Motor Control Unit for electric powered screens. For connection to the RP-6 controller. Needs 2 relay outputs of the RP-6. Function: up/down/stop. Power rating: max. 230 V, 3 A				
789-44PS/RP	L	283003	85,00	
4 Channel IR Connecting Block & Power Supply, 1 separate port for an external IR receiver				
BP-T1-T2	L	285008	59,00	
Replacement batterie for T1 and T2 remote controllers				
BP-T3	L	285010	69,00	
Replacement batterie for T3 remote controllers
